Communication Tools for MND: 2025 – 2026

Classroom teachers will have additional tools for students that are course and subject specific. Please remember that www.mndlinks.org is the primary portal for all MND digital tools for school families.

MOUNT NOTRE DAME
Empowering Young Women

Tool Name	Login Information and Uses
PowerSchool https://classroom.powerschool.com **PowerSchool is mobile-responsive.** **Login on your phone and save to your home page.**	• **Login directions provided by MND** o Students and families new to MND will receive this closer to the start of school. • Used as one of the <u>Academic Portals</u> for students, faculty and families. • Found here: o Student schedule o Archives of report cards and honor roll certificates o Course registration for the next school year (in January) o Access to course pages, grades, calendar, etc. NOTE: The PowerSchool App is being phased out by PowerSchool and will have limited usability. MND does NOT recommend that you use it.
Canvas **CANVAS** https://mndhs.instructure.com/ **Convenient App available:** **Apple Store & Google Play**	• **Login directions provided by MND** o Students and families will receive this closer to the start of school. • Used as one of the <u>Academic Portals</u> for students, faculty and families. • Found here: o Access to course pages, grades, calendar, etc.
BAND https://band.us **Convenient App available:** **Apple Store & Google Play**	• **Login created by individuals** • Used as the <u>non-Academic Communication hub</u> for students, faculty and families. Any group you belong to is called a "BAND." • Access to specific "BANDs" will be provided to specific groups of people as warranted. • Important "BANDs" o **MND Central** – main communication site for the entire MND community. Emergency communication from MND will come through this BAND. Every student, parent/guardian and staff member should join this BAND. o Class "BAND" for information, files and announcements that are pertinent to a single grade level. o Club/Activity/Program "BANDs" for information, files and announcements that are relevant to a particular club, activity or program. NOTE: Please reach out to school if you need BAND group links. These are not provided on this public website.
BrightArrow **BrightArrow®** Technologies, Inc.	• State-of-the-art voice and messaging technology, delivering flexible and powerful notifications including emails, texts and voice calls directly to you! • Will be used to streamline communications from MND for needs such as safety updates, weather and other changes in schedules. • May be used *sparingly* for broad-based school communication that is time sensitive. • **New Families: Watch for more information later this summer about how to opt-in!**
FinalForms https://mountnotredame-oh.finalforms.com **FinalForms is mobile-responsive.** **Login on your phone and save to your home page.**	• **Login created by individuals from MND generated FinalForms email.** • Used for registration of new students, updating demographic information, data verification, required form collection and athletic forms. • This portal is available year-round so that families can update data as needed.
