

Mount Notre Dame Graphing Calculator Information

Every freshman at Mount Notre Dame is recommended to have a graphing calculator which will be used in her math classes throughout her four years and can be used on the PSAT and ACT tests which will be taken at MND.

Calculator Options

The Mount Notre Dame Mathematics Department has adopted the use of Texas Instruments **TI-84 Plus CE** graphing calculators. In class calculator instruction will be done using the TI-84 Plus calculators. Students with other calculators will be expected to learn the calculator functionality on their own.

Recommended calculators for use during your four years at Mount Notre Dame are:

- **TI-84 Plus CE**
- TI-84 Plus Silver Edition
- TI-84 Plus C Silver Edition
- TI-84 Plus

Unacceptable calculators (which are not permitted on the ACT test) are:

- TI-89 family
- TI-92 family
- TI-Nspire with CAS capabilities (CAS – Computer Algebra System which allows symbolic equation solving)

Please address calculator questions to Paula Schute via email at pschute@mndhs.org.
