

# 2023 – 2024 Calendar Overview

Summer 2023

Greetings MND Students and Families,

I am excited to present the full 2023 – 2024 calendar. As a reminder, each MND student will receive a printed MND block schedule planner on her first day of school which contains the daily rotation, special school events for students, club meetings, etc.

MND's calendar has been structured to *preserve academic time* by concentrating instructional minutes on A/B days. Most of our school days are labelled as an A or B Day. MND also has C days which almost always have classes in addition to supplemental and faith/co-curricular/community-building activities such as mass, pep rallies, special assemblies, etc. MND has found that when we minimize unpredicted and unbalanced interruptions to classes, we preserve academic routines and student focus. MND students and faculty are extremely successful in this model.

As in years past, C days often have a late arrival time or early dismissal so that our faculty can attend Professional Learning Community (PLC) meetings. Please remember that our building will be open at the regular time so that students can plan to arrive at their regular arrival time if that is better for families.

The attached At-a-Glance Calendar Overview provides the big picture for our year as well as identifies days off, some special events. Each week, MND will send an email newsletter (on Wednesdays) which will outline the week ahead for any special schedules and/or plans. In the coming weeks, the events calendar on MND Central BAND will be populated with ALL of our events for the entire year. This process will start next week. It is very easy to add events to your phone calendar from MND Central.

The administrative team has worked hard to solidify our schedule for the upcoming school year so that families are aware. We are looking forward to a great year together!

Karen Day, Principal
